Vaccination Station Changes on the Horizon

YAVAPAI COUNTY, AZ., April 5th, 2021 – Spectrum Healthcare, the local non-profit healthcare organization administering COVID-19 vaccine in Yavapai County, has announced changes at the Vaccination Station in Prescott Valley and Cottonwood. These changes include hours of operation, end dates and future vaccine availability.

PRESCOTT VALLEY

As more and more places can offer the COVID 19 vaccine, demand at the vaccination stations continues to decrease. As a result, Spectrum is preparing to conclude its vaccination station operations.

Vaccinations will continue at the Findlay Toyota Center through Wednesday, April 7th. Then, beginning April 10th the Prescott Valley Vaccination Station will be permanently moved to the Arizona Dermatology Suite at 3001 North Main Street STE 1E, Prescott Valley, AZ, located in the Prescott Valley Town Center. All scheduling related questions can be answered by calling Spectrum's pop up call center at 928-414-8884, please do not call AZ Dermatology. The clinic will continue to operate three days per week, Saturday, Sunday, and Monday, from 8am to 4pm, offering first doses until April 17th, and second doses through May 15th. People can schedule online at www.spectrumhg.org/vaccine and walk-ins will be accepted.

For individuals with an existing first or second dose vaccine appointment scheduled on Tuesday or Wednesday at the Prescott Valley Vaccination Station after April 10th, please feel free to walk in anytime during the updated hours/days of operation.

COTTONWOOD

Beginning the week of April 12th, the Cottonwood Vaccination Station will be open Wednesday, Thursday, and Friday from 8 AM to 4 PM until May 14th. The Cottonwood Vaccination Station will be closed Saturday through Tuesday. At this time, walk-ins are being accepted at the Vaccination Station during open hours.

For individuals with an existing first or second dose vaccine appointment scheduled on Monday or Tuesday at the Cottonwood Vaccination Station after April 11th, please feel free to walk in anytime during the updated hours/days of operation.

LOOKING AHEAD

Spectrum Healthcare will continue administering COVID-19 vaccine at their facilities in Prescott, Cottonwood, and Camp Verde when the Vaccination Stations close. Additionally, Spectrum Anywhere Healthcare Teams will continue to mobilize into rural communities, local facilities, and individual homes.

"It has truly been a privilege for Spectrum to be a part of the vaccination efforts in Yavapai County. To date, we have been able to administer over 56,000 vaccines across Yavapai County. I am incredibly proud of the role Spectrum has played in helping the county get back to some sense of normal. It is our mission to meet the needs of the communities we serve, whatever that may be, now and in the future. We are eternally grateful to our staff and our partners at FEMA and Yavapai County for making this operation so successful" stated April Rhodes, CEO of Spectrum Healthcare.

Spectrum has implemented a pop-up call center to assist individuals with questions or concerns about their appointment time/date. The call center is open every day from 9-4. The phone number is 928-414-8884.

About Spectrum Healthcare
Spectrum was the first organization in Northern Arizona to offer structurally integrated healthcare. Founded in 1965 as a small behavioral healthcare clinic in Cottonwood, AZ, Spectrum now provides whole health services countywide including primary care, behavioral health, mobile crisis response, residential treatment and pain management services. For more information, visit www.spectrumhealthcare-group.org.
